

3.2 Miles, Yarmouth to Freshwater Old Railway Line (Green Route)

3.2 miles, + 82 / - 81 feet

This 3.2 mile, 'there and back' route has been created for young families in mind who are looking for a simple ride with no roads or challenging hills.

The route starts off at Off the Rails Cafe, situated in the old Yarmouth Train station.

The route follows the old Yarmouth to Freshwater railway line that runs alongside the beautiful river Yar.

The route heads out towards Freshwater, with the half way point being the little bridge on the Causeway, before heading back towards the start for light refreshments at the Off the Rails Cafe.
