

# THE CLUBHOUSE

## Half-term food!

Our Clubhouse team have created a menu featuring fresh, healthy and delicious dishes, as well as an exciting schedule of events and pop up food evenings. Our team love working with local and seasonal ingredients to create new dishes.

This half-term the Garlic Farm is back! A favourite among locals, we will be serving up a delicious selection of garlic-inspired food including paella, homemade garlic meatballs, Isle of Wight sausages and mash and mild thai green curry.
