Adventure Island Discover Adventure Island

Enjoy a holiday packed full of fun, adventure and exploration. There are hundreds of places to see, and things to do, packed into just 147 beautiful square miles of pure Island escapism. From fossil hunting and crabbing to playing cowboys and meeting friendly wallabies, every day offers up new adventures...

Fossil Hunting

Hunt for dinosaurs along the dinosaur coast, a glorious stretch of coastline that stretches from Yaverland in the East, around the South of Island, to Compton Bay close to us here in West Wight. The Island has been crowned the 'Dinosaur Capital of the UK' by the Natural History Museum, as more fossils are found on the Island than anywhere else in the UK. Dinosaur Isle lead a number of guided walks at sites of known palaeontological and geological interest on the Isle of Wight. Fossil walks must be pre booked visit www.dinosaurisle.com or call 01983 404344

Hunt for ghosts in a haunted castle

Carisbrooke Castle is reputedly haunted by soldiers in battledress and many visitors have reported seeing strange visions around the Keep and deep down in the well.

The simple pleasures

Enjoy cycling, walking, crabbing... or more sophisticated pleasures, such as tucking into the local delicacy, crab or lobster on chips!

Water sports

Take advantage of the glorious coastline and mild climate, and try a new adrenaline-pumping water-sport. As a family, you could learn to surf in the morning, go kayaking at lunchtime, and try stand up paddleboarding in the evening.

Monkey Haven

Monkey Haven...this Gold award-winning animal sanctuary is TripAdvisor's No 1 attraction for the Island. The primate rescue centre cares for monkeys, birds of prey, reptiles, meerkats, and other exotic creatures. There are talks and feeds throughout the day, giving you the chance to get up close with owls and other creatures including Gus the boa constrictor... who's much more cuddly than you might expect!

Osborne House

"It is impossible to imagine a prettier spot" said Queen Victoria of Osborne House, her palatial holiday home on the Isle of Wight. Visit Victoria and Albert's private apartments, their bathing beach and children's play-cottage for an intimate glimpse of royal family life. Then stroll through the garden terraces where the stunning views across the Solent reminded Prince Albert of the Bay of Naples.

Ventnor Botanic Gardens

Ventnor Botanic Garden lies in the remarkable micro-climate at the heart of the famous 'Undercliff.' With an average rainfall of 28 inches its climate is more akin to the Mediterranean. This enables a wide variety of plants considered too tender for much of mainland Britain to be grown.
