### Membership Application

All new Country Club members are required to obtain recommendation from an existing member. In cases where the potential member cannot gain a recommendation from an existing member they will be required to attend a short interview. This process is in order to ascertain that the Country Club and also the prospective member are happy and confident that the club rules and guidelines will be followed appropriately and that all parties are aware of the agreement.

All members who hold an active membership at the Country Club and are aged 18 years and over are eligible to submit a proposal for a new member. A completed proposal form must be submitted together with an application form in order to complete this process.

### Proposal for Membership Procedure

A proposal form must be completed by both the existing member and the proposed member. Application forms can be obtained from the Country Club reception.

On receipt of the completed proposal form and application form, the Country Club management team will consider the application. On approval all new members shall pay their Country Club subscription fees depending on the term of the membership contract.

The West Bay Country Club does not have a probationary period for new members and it is therefore understood that the proposing member should take responsibility for the introduction of those new members throughout the club. When recommending a new member the existing member will be confident that the character of the said person is in fitting with the Country Club etiquette guidelines, and that these will be followed appropriately. Failure to adhere to club rules may result in the suspension or termination of membership of both the member and the existing member who recommended said person.

### Membership Card

All new members will be issued with a Country Club membership card and membership number, which will be personal to you and remain the property of the Country Club. You must present your membership card to the club reception on each visit before using the facilities. Membership cards will not be reissued on the renewal of any membership. All members are therefore advised to keep their cards, as any membership account can be reactivated. The West Bay Country Club may terminate your membership if you misuse your membership card.

### Data Protection

The West Bay Country Club will protect the data of all members. No data will be passed on to any external third party.

### Additional Terms and Conditions

Members will be formally notified in writing should there be any additions or amendments to these terms and conditions.
